

How to pay Help for Heroes your fundraising money

PAYING US YOUR FUNDRAISING MONEY

Whatever you do, once you've done it, please remember to pay in the money you raised within two weeks of your event. No cash should be sent in the post.

It couldn't be easier . . . just pick the way that suits you best from the list below:

- **On the phone** - keep the cash you've collected and use your debit / credit card - just call 01725 514130 to make payment over the phone (Help for Heroes are charged for credit card payments so it is preferable if you can send a cheque).
- **By cheque/postal order** - fill out this form and return it with a cheque or postal order made payable to 'Help for Heroes', and pop it in the post.

.....

Please send to: Help for Heroes
