Once you are trained you will then wait your turn to be called to get ready by a member of the Red Devil team; they will fit you with a specialised harness and prepare you for your jump and introduce you to your Red Devil Tandem instructor. The flight to jump altitude takes about 15-20 minutes- enough time to take in some incredible views of the local countryside. Your skydive experience will include a thrilling 45 seconds of freefall as you and your instructor reach speeds in excess of 120mph. At about 5000ft your instructor will open the parachute and you will begin your 5 minute scenic parachute descent, landing to the cheers of your friends and family.

If you do not declare a disability or condition and it is discovered on the day you may forfeit your skydive.

Record your experience

For many people a tandem skydive is a 'once in a lifetime' experience. Having the jump filmed can be important, particularly if you want to re-live the experience from the comfort of an armchair! Should you choose to have your Tandem experience filmed you can book and pay for one of two additionally charged packages through Click and Jump at least 2 weeks in advance of your jump.

There are two packages to choose from:

Fully edited movie on Blue Ray £119

Fully edited movie on DVD £99

If the camera flyer has a digital still camera available you will also be given some photographs (numbers can vary between x20-x100 photos), please note that this would be an addition to your package and is not guaranteed.

You are welcome to use your own camera on the ground, but it will not be permitted in the aircraft. There will be designated spectator areas where your family and friends can use their cameras but they will not be permitted to go out to the aircraft or landing area.

Insurance

All participants will be covered by British Parachute Association third party liability insurance which is included in the cost of your jump. However, if you wish to take out additional personal accident insurance, there are a number of one jump policies for one example, visit www.extremeplus.co.uk quoting Click and Jump or contact Click and Jump for further details.

Spectators

You will probably wish to share your skydive experience with your family and friends. The Red Devils welcome spectators. Children are also welcome, but please do be aware that your skydive experience can take all day (from arrival till dusk) and most centres do not have facilities in place for children so make sure you bring enough activities to keep them entertained - the novelty of watching parachutes soon begins to wane. As a general rule tandem students are asked not to bring dogs on to Drop Zones due to dangers of aircraft movements. Guide dogs are permitted.

Facilities

The parachute centres have a café on site which will provide hot and cold drinks and snacks. You are welcome to bring your own picnic. If you require further information on accommodation, or a list of local B&B's then please contact Click and Jump.

Help for Heroes Contact

When you book your Red Devil Tandem Skydive, Click and Jump will inform Help for Heroes who will contact you via email about your fundraising.
