

HOW YOUR MONEY HELPS: OUR EXPENDITURE

Every penny raised is done so with the express purpose of fulfilling our promise: to give our nation's Heroes one less battle to fight.

We are eternally grateful for the support of the Great British public for rallying around our troops as they already have.

Here is an overview of how we spend the funds raised to give more Servicemen and women secure, healthy and purposeful lives.

CHARITABLE ACTIVITIES*

£1.9M **GRANTS
MADE**

£21.9M **RECOVERY
DELIVERY**

£1.8M **CHAMPIONING
THE WOUNDED**

* as at 30 September 2018

We put all funds we receive to work to make remarkable things happen for our beneficiaries.

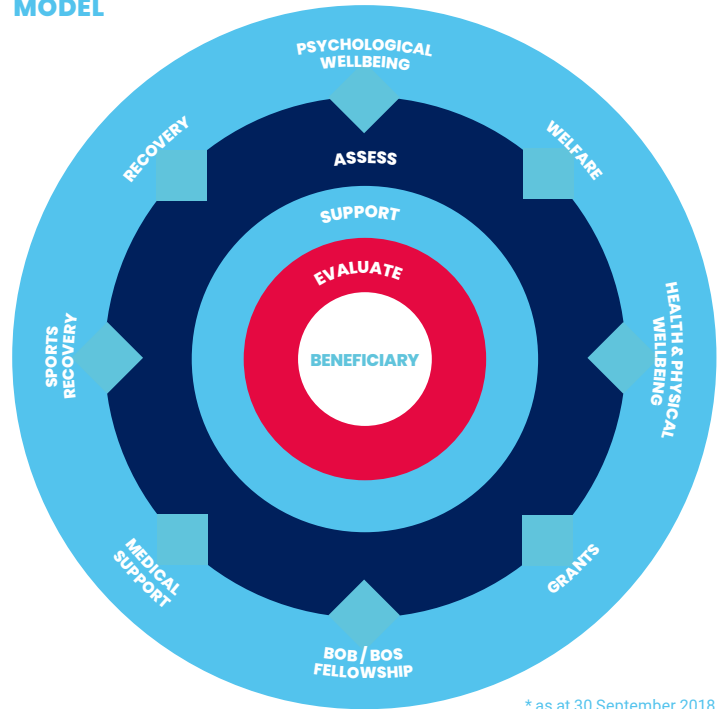

Each recovery journey will look different: whether success means competing at elite sport, learning to live with life-changing injuries or chronic illness, achieving peace through art or running a business and providing for a family, our aim is for anyone affected by their

military service to feel safe and secure, mentally and physically well, and to enjoy a sense of purpose.

Our specialist teams provide holistic pathways which inspire, enable and support the individual using our core operating model.

11,396 have joined the Help for Heroes Fellowship*
22,285 individual beneficiaries supported*
