

HELP for HEROES BIG BATTLEFIELD BIKE RIDE THE SOMME

BIG BATTLEFIELD BIKE RIDE 2022 – THE SOMME

Next year our iconic cycling challenge will take us, for the first time, down the whole British sector of the Western Front of the Great War. From the North Sea Coast through the beautiful Belgian Flanders, French Flanders and Picardy countryside down to Compiègne where the Armistice was signed; visiting the main British battlefields of 1914-18 in chronological order to relay both the scale of the campaign and the sacrifice.
