

# HELP for HEROES BIG BATTLEFIELD BIKE RIDE DUNKIRK

## Big Battlefield Bike Ride 2023 – Dunkirk

Our exciting cycle challenge takes us from Étretat through Northern France to Dunkirk, visiting some of the region's most significant battle sites from both World Wars, including Dieppe and Ypres, before following in the footsteps of the British Expeditionary Force. En-route we pay our respects at the many memorials and cemeteries, ensuring a poignant experience as well as a rewarding bike ride; with around 500km over five days in the saddle this will be a cycle challenge to remember!
